

# Engineering Updates

Jeff Maggio

# Engineering Updates

- 3-5 minute presentation every lab meeting
  - Discuss active projects, persistent issues
  - Platform to raise/remind myself and Ruei of key issues in the lab
- Goal is increase traceability / Documentation
  - Helps ensure the lab can survive in the post Jeff/Ruei era
- Also helps me learn

# New home for all engineering Documentation

-----  
Welcome to the Active Perception Lab main page.

## General Lab Help

- [Onboarding Guide](#)
- [Manuals and Forms](#) (including all consent forms and flyers)
- [Subject Methods](#)
- [Study Personnel](#) (People who can sign consent forms, run studies, and work with data)
- [Lap Upkeep list](#) (Things that need to be done with regularity; these should be distributed between people)

## Engineering & Design

- [Brainstorming](#)
- [Projects](#)

## Monthly Eye Tracker Maintenance

- [Schedule](#)
- [DPI](#)
- [DDPI](#)

## Computing Environment and Equipment

### Lab Meeting Schedule and Slides

### Lab Papers & Posters

### Projects

- [Recruitment Progress Chart](#)

### Useful Information and Resources

- New Wiki Section where I intend to keep track of all active/completed projects
- All design files, links to code repositories, and pertinent information will be uploaded here
